

We are long term admirers of the wines of Priorat and have been searching for the perfect wines that speak of this special place and remain value for money. Over recent years Priorat has galvanised its reputation for outstanding quality wines, and this is reflected by its 'Denominación de Origen Calificada' quality status. This is the very top tier of quality in the Spanish hierarchy and a position shared only with Rioja. A rugged landscape with vineyards planted on breathtakingly steep terraces or deep within valleys, the land can only be tended by hand. This is small-scale winemaking country, with low yields producing high quality deeply concentrated wines. Even today there are little more than 60 producers. Jancis Robinson once said "A good Priorat is one of the most terroir-driven wines in the world." One reason for this is the region's unique llicorella soil, a heat trapping dark slate which imparts the regions characteristic mineral purity.

On our voyage for the perfect wines we arrived at 'Scala Dei'. An estate first established by Carthusian monks as a Monastery in 1194 and produced wine from 1263. Scala Dei translates as 'Stairway to God', paying homage to this rich and long history. Today Scala Dei consistently demonstrates the very best of Priorat with limited production, boutique wines with exceptional complexity and fruit expression. Its vineyards are the highest in Priorat at over 700 metres above sea level, and its old vines are deeply rooted on the famed llicorella slate and arid clay soils. The three wines we have on offer are undoubtedly some of the finest Spain has to offer. If you are looking for wines of concentration, complexity, structure and finesse – these are for you.

Scala Dei Garnatxa 2014, 14.5%

A great introduction to Scala Dei's premium quality. The unoaked Garnatxa (Catalonian for Garnacha) includes small additions of Syrah and Cabernet Sauvignon to deliver a youthful expression of the Priorat terroir.

Fresh and fruit driven on the nose, packed full of ripe red berries. Medium bodied with redcurrant and cherry fruit and an underpinning minerality. A balanced wine with freshness and weight. Decant for an hour before serving with venison or catalan sausage and bean casserole. Drinks beautifully now but will evolve over the next 5 years.

Scala Dei Prior 2013, 14.5%

A splash of Cabernet Sauvignon, Carineña and Syrah adds depth and complexity to the old vine Garnacha. The wine has spent 12 months in French and American oak adding weight, structure and complimentary aromas and flavours.

The nose is an enticing combination of black cherry, spiced berries and wild strawberries with a hint of coconut cream and violet. The robust, mineral textured palate offers notes of mixed berries, mountain herbs, delicate peppery spice, chocolate and mint. The finish is long and elegant. Perfect with braises and stews. Enjoy now until 2022.

Scala Dei Cartoixa 2009, 15%

A blend of Garnacha, Cabernet Sauvignon, Carineña and Syrah from the very best vineyards - this premium Garnacha blend represents the pinnacle of Priorat. The Cartoixa has received 18 months maturation in American and French oak.

Intense lingering aromas of black cherries, juicy plum, dried herbs, black pepper and a touch of rolling tobacco intermingle with prominent mineral notes. The palate is elegant and beautifully structured with complex layers of blackberry, blackcurrant, vanilla and chocolate. The tannins are fine with a long, luxurious finish. Drink now or cellar to 2025+.
